

Bor-Shyh Lin (林伯昱)

Director/Distinguished Professor

Institute of Imaging and Biomedical Photonics
National Yang Ming Chiao Tung University, Taiwan

Email: borshyhlin@nycu.edu.tw

Address: No.301, Sec. 2, Gaofa 3rd Rd., Guiren Dist., Tainan City 71150, Taiwan.
(711 臺南市歸仁區高發三路二段301號)

Tel: 886-6-3032121-57835

Fax: 886-6-3032535

Biography:

Bor-Shyh Lin, Ph.D., is the Distinguished Professor of Institute of Imaging and Biomedical Photonics, National Yang Ming Chiao Tung University, Taiwan. He received B.S. degree in control engineering from National Chiao Tung University, Taiwan, in 1997, M.S. degree and Ph. D. degree in electrical engineering from National Taiwan University, Taiwan, in 1999 and 2006 respectively. He established and founded Biomedical Systems Laboratory in 2009. His research interests are in the areas of biomedical system design, biomedical signal processing, and biosensor. He is also the recipient of several academic awards including IEEE Best GOLD Member Award and National Innovation Awards in the Clinical Research Category. He is also the Fellow, Institution of Engineering and Technology (IET), UK.
